Minutes:

ANTHONY HODGES advised COUNCILMAN REESE that all discussions that take place during the City Council meetings are a matter of public record.

DAVID SCHWINN spoke about the Las Vegas Outlet Center and the American Recovery and Re-investment Act which offers rebates for energy-saving management. Based on MAYOR GOODMAN'S comment that the Outlet is located in the County and not the City, MR. SCHWINN surmised that he would need to speak to someone in the County.

BLAKE ROTHBARD stated that he previously submitted documents relative to his incident with the Nevada Highway Patrol. He questioned why he had not received any response and argued that a recent correspondence from the City Attorney's Office was a waste of time and taxpayers' money. MAYOR GOODMAN explained that with the matter still in litigation and unresolved, there is nothing he would be able to assist MR. ROTHBARD with. MAYOR GOODMAN offered to assist MR. ROTHBARD once the case had been resolved.
